### 3 Talk to your counselor

Talk with your counselor so you can develop your education plan and find out what preparations you'll need for getting started on your career path.

## Nursing

The goal of the Shasta College Nursing Program is to prepare a graduate who is eligible for license to practice as a registered nurse. In addition, graduates are prepared to utilize the nursing process effectively with patients of all ages and within a variety of healthcare settings. The graduate will have a solid foundation in providing competent nursing care at the entry level of registered nursing practice.
